

Universal Bus Pass (U-Pass) FAQ

Q: I am a Co-op student can I get the U-Pass?

A: Yes co-op students are a part of the UWSA & GSS membership and are eligible to opt-in for the U-Pass.

Q: I do not qualify for any of the exemptions, and do not want the U-Pass

A: With the University of Windsor U-Pass program, unfortunately all students that qualify for the U-Pass and do not fit any of the exemption criteria are still charged for the U-Pass. We cannot exempt you from the U-Pass program because you walk, cycle or drive to school as it is not part of the exemption options. Hopefully you can find a way to utilize this service!

Q: If I am a full-time student during the fall and winter semesters and want to keep my U-Pass for the summer months of May-August, would I be able to opt-in at the same cost of each semester (\$66.00) even though I will not be taking any classes in the summer?

A: Yes, we are proud to offer our students the option of opting-in for the summer term at the discounted rate of \$66.00; however, this is only possible if you were a full-time undergraduate or graduate student during the semester prior to the summer term. This would have to be done at the UWSA office.

Q: What happens if I register late but I am still full time, can I still get my U-Pass?

A: If you happen to register late for your classes, your account will still be charged the full cost of the U- Pass and you will still pick up your U-Pass as long as you are a full time student. However, we highly encourage students to register early in order to benefit fully from the U-Pass.

Q: What if I am full time but I am not charged for the U-Pass?

A: This may be based on numerous possible issues. Please contact cashiers@uwindsor.ca
