

FOR IMMEDIATE RELEASE

UWSA Recognizes the Ongoing Genocide of Palestinians and Calls for Justice

The University of Windsor Students' Alliance (UWSA) stands with all students in the Windsor community affected by the violence inflicted by the Israeli military forces on the people of Palestine. The UWSA condemns the ongoing ethnic cleansing of Palestinian citizens and denounces all forms of Islamophobia, anti-Semitism, and discrimination suffered by students within our diverse city.

The UWSA would like to recognize the students who have been attending the local protests and understand the challenges that our students are facing during the pandemic.

The UWSA will be donating to the Windsor Islamic Association Centre to support our Muslim community and residing Palestinians in Windsor. The UWSA will also be donating to the Jewish Community Centre due to the rising levels of anti-Semitism. Lastly, the UWSA will be donating to the Canadian Red Cross to provide humanitarian aid for those impacted by the consequences of violence.
