## Dear UWSA Members,

After much discussion and deliberation, as well as consultations with the organization's legal team, Electoral Committee, and Chief Returning Officer, the UWSA Board of Directors have decided by a special two-thirds majority vote, to appoint the runner-up candidate from the 2022-2023 UWSA General Elections into the position of **Interim Vice-President, Student Life**. They will serve from the period of May 1st, 2023 – until the end of the 2023-2024 UWSA By-Elections in Fall 2023.

While details of the initial disqualification cannot be shared in order to protect the confidentiality of all parties involved, we remain committed to transparency and the democratic process. As a result, the position of Vice-President, Student Life will be contested in the Fall 2023 By-Elections.

Thank you,
